

Black&White|4c

Our masterpiece in a compact format

Fully flexibility for configurations

The Black&White4 compact inspires through a variety of combinations. The basic configuration consists of a coffee-tea-milk-unit that can be amended to meet customer-specific requirements. The selection includes refrigerator options, a powder and flavour unit and a cup heater. Thus, each individual customer gets a Black&White4 compact that optimally matches his needs.

Impressive advantages in the multipack

- Compact coffee machine only 228 mm wide
- Modular assembly
- Patented milk system with cold milk foam option
- Telemetry system ThermoplanConnect
- Versatile implementation possibilities
- Integrated or external refrigeration options
- Powder unit for chocolate beverages
- Flavour unit for up to 4 syrup flavours
- User-friendly handling
- Resource-saving operation
- Unique design
- Efficient «tablet cleaning circuit» cleaning system (in compliance with HACCP standard)
- Global service network for efficient support
